

PASSING THE TORCH: New Trip Coordinator Needed

We have been serving as the Club's trip co-coordinators since the 2009/2010 season.

It is time for us to pass the torch on this position and our tenure will end with this ski season.

If you are interested in taking on the position, please contact us or any member of the board. Trip planning for the 2025-2026 season will start next April and we will be happy to assist during the transition for the new season.

The duties of the trip director include:

- Explore possible locations for trips next ski season with board/member input for trip locations.
- Contact mountain reps and ski tour reps to explore lift ticket and lodging options.
- Submit trip budgets to the board for approval.
- Recruit trip captains for the selected trips.
- Contract with the various sites and tour operators for the selected trips and coordinate payment dates with the treasurer.
- Monitor trip sign ups and adjust lodging as required.
- Order lift tickets and assist trip captains with the trip details.

- Assist treasurer with member sign ups and expenses.

The position is compensated with trip credit for the year following the term based on skier numbers and board approval.

It has been an interesting experience in this role, and we have made friends with people from other clubs and reps from both the mountains and tour operators.

The rep from Tour de Sport skied with us at Snowmass two years ago and told us that it was the most fun she experienced skiing with a client. She let us lead and we did runs she loves but would have never been allowed to lead a client down.

We look forward to hearing from you and sharing more information.

TRIP INSURANCE

It's been said that trip insurance is never needed until it's needed.
What should you know about trip insurance?

- You must purchase trip insurance coverage before it is needed. Once you recognize the need, it is too late to protect your trip.
- After the initial trip payment is made and you have a good grasp of your total expected trip cost, it is good time to get the most accurate quote.
- An example of coverage for a \$1,500 trip within the United States for a 60-year-old is approximately \$63 through www.insuremytrip.com.
- If you need coverage for a pre-existing medical condition, there are time-sensitive eligibility requirements tied to your initial trip payment and you may have a limited amount of time to buy a plan.

Flatland Ski Association Trip January 25 - 31 (Saturday-Friday), 2025

Telluride is located at the end of a canyon and surrounded by Colorado's most rugged peaks. Most people do not travel this far so there are hardly any lift lines. This is our annual adventure with friends of the Flatland Ski Association (FSA).

Telluride gets an amazing amount of powder every year. They have 125 runs over 2,000 acres. For those tracking their vertical feet the longest run is 24,288 ft! 23% of runs are easy, 36% of runs are intermediate and 41% difficult. (What a nice mix!) Also, great skiing for families.

There is also snowshoeing, sleigh rides, fat tire bike tours, sledding, horseback riding, dog sledding and more. These activities would also be fun for those who want a new experience on their non-ski day! (For the more adventurous there is also heli-skiing. Telluride also has an amazing ski town, ranking alongside Park City & Aspen.

DATES: Check in is Saturday, January 25, 2025, for 6 nights of lodging. Check out Friday morning, January 31, 2025.

SKI DATES: Sunday, January 26, through Thursday, January 30.

BASIC TRIP PRICE: \$1,260.00, includes lodging only and FSA activity pass for racing/meal(s). **Full payment is due at November 19 meeting.**

Transportation to/from Telluride is on your own. Flying is ideal; or consider carpooling. Parking is \$35/day. The destination airport is MTJ (Montrose) if you fly. This is about 65 miles from the resort.
